Dear Sir:

On 07/28/03, the above-identified patent application was filed with an executed declaration and a return postcard listing the executed declaration. We received the return postcard on 08/11/03. Nevertheless, the Notice to File Missing Parts dated 10/24/03 states that the executed declaration is missing from the application.

On 10/28/03, our firm's office manager Gerry Marrero had a telephone conversation with Mrs. Robinson (703-308-1202) of the PTO Initial Patent Examination Division regarding the Notice. Mrs. Robinson asked Mrs. Marrero to fax her a copy of the executed declaration and return postcard. Those copies accompany this transmittal.

Mrs. Robinson told Mrs. Marrero that we would not otherwise have to respond to the Notice. Mrs. Robinson also said that she would mail us confirmation that the Notice has been revoked and that the executed declaration has been entered.

Respectfully submitted,
